

# Owens Corning™ FOAMULAR®

## Extruded Polystyrene (XPS) Rigid Foam Insulation

### Great Insulation – And Here’s Why

- Absorbed water reduces insulation’s R-value. FOAMULAR® XPS is manufactured with a process that results in a closed cell cross section, which means very little water will be absorbed.
- FOAMULAR® XPS is great for commercial and residential walls, residing projects, commercial roofs, foundations, underground utilities, under roads and more.
- FOAMULAR® XPS is available in a variety of compressive strengths and styles to suit the job.
- FOAMULAR® XPS is the only XPS that is GREENGUARD Gold certified.
- FOAMULAR® XPS is the first XPS with a third party, independently certified, minimum 20% recycled content by SCS (Scientific Certification Systems).
- FOAMULAR® XPS has an industry-leading lifetime limited warranty<sup>1</sup> across all thicknesses and compressive strengths.

### Competitive Warranty Comparison

	Owens Corning™ FOAMULAR®	Dow® Building Solutions STYROFOAM®	Pactiv GreenGuard®
<b>Length of Warranty</b>	Lifetime of home or building All thicknesses All compressive strengths	50 years <sup>2</sup> (1½" and thicker) 30 years <sup>2</sup> (1") 15 years <sup>2</sup> (½" and ¾")	50 years <sup>3</sup> (1½" and thicker) 30 years <sup>3</sup> (1") 15 years <sup>3</sup> (½" and ¾")
<b>Who is Covered</b>	Original purchaser or first transferee	Building owner	Original building owner
<b>Countries Covered</b>	U.S. and Canada	U.S. only	Undefined
<b>Resolution</b>	Equivalent product replacement or original purchase price refund	Equivalent product replacement or original purchase price refund	Equivalent product replacement or original purchase price refund
